CASING & PACKAGING

Your partner for consultation and development in the field of artificial casings and shrink bags

YOUR COMPETENT PARTNER FOR ARTIFICIAL CASINGS, SHRINK BAGS AND FILMS

We, the company Nicolaisen Casing & Packaging GmbH are a family enterprise from Germany with production facilities in western Europe.

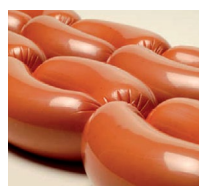

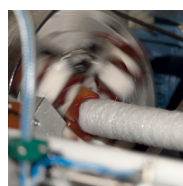

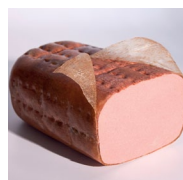

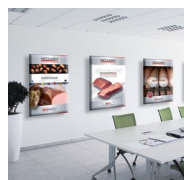

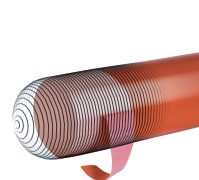

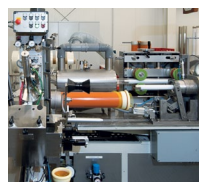

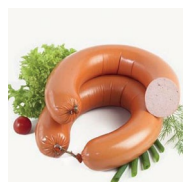

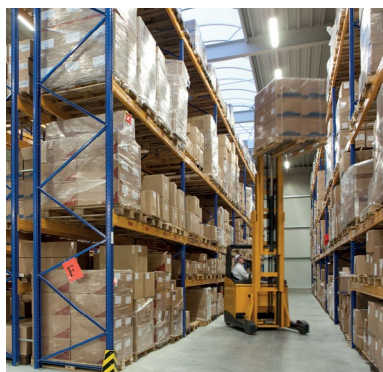

For more than 20 years, the family enterprise Nicolaisen Casing & Packaging develops, customizes and delivers artificial casings in various kinds, as well as shrink bags, soft- and skin films of absolute prime quality.

By now, the family enterprise, located in Geldern in the lower Rhine region has become a leading supplier for artificial casings, shrink bags and films for the meat processing industry and cheese industry in Germany, the neighboring countries and international.

From the modern logistic-, production- and administration center, with more than 30 employees and trainees, Nicolaisen Casing & Packaging delivers to his clients more than 4.000 customized products.

We have customers in food retail, discount retail as well as several industrial clients and craftsmen.

As a result of our effort regarding food safety, we achieved the international approved BRC/IoP-Certificate with classification A as top grade.
